You must understand that you and others who accompany you are participating in this activity at your and their own risk (and risk of your dog). Dogs and customers using this facility vary in degrees of skill, training and experience.

You are solely responsible for making the determination of whether you and /or your dog are physically fit and/or adequately skilled to use this facility. It is strongly advisable, especially if you or your dog is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician or veterinarian before undertaking any dog training or exercise activity.

WARNING OF RISK

Dog activities are intended to provide a fun and rewarding experience for a dog and its owner/handler. However, despite careful and proper preparation, instruction, medical advise, conditioning and equipment, there is still a risk of serious injury, including death, to either the dog, its owner/handler or other persons or animals. Dogs are pack animals and when "off lead" even the best-trained dogs will act instinctively. Understandably, not all hazards and dangers associated with dog activities can be foreseen. Certain inherent risks include the propensity of any dog to behave in dangerous ways that may result in injury to you, another person or dog. Other risks include, but are not limited to, the inexperience, negligence or irresponsibility of a dog owner/handler; the inability to predict a dog's reaction to sound, movements, objects, persons, or other animals; and actions by the dog due to fright, anger, stress, insect bites, or natural reactions such as jumping, pulling, resisting and biting. Other risks include the hazards associated with environmental and traffic conditions, acts of God, inclement weather, slip and falls, premises defects, equipment failure in instruction/supervision, and all other circumstances inherent to dog and/or outdoor activities.

Should you attempt to break up a dogfight or restrain a dog, including but not limited to your dog, you may be attacked and severely mauled by your dog or the other dog, or attacked by another dog's owner/handler. In this regard, it must be recognized that it is impossible for Pals for Pups to guarantee your absolute safety.
